B.Tech in Computer Science Engineering

Parul University, Vadodara

CGPA: 7.05 (till 3rd year) |
Expected Graduation:
2026

SKILLS

- MERN
- Leadership skills
- javascript
- Python
- Communication Skills

LANGUAGE

- English
- Hindi

PROFILE

Ambitious 3rd-year B.Tech student in Computer Science Engineering at Parul University with expertise in full-stack development (React, Node.js, Express.js). Experienced in building scalable web applications and currently developing an E-learning platform using the MERN stack. Skilled in API development, UI design, and database management. Passionate about leveraging emerging technologies to solve real-world problems.

PROJECT

Developing an AI-powered e-learning platform featuring:

- Personalized learning through machine learning
 - AI-driven student support and community engagement
 - Exclusive content
 - Efficient course-building tools for teachers
 - AI-compiler for code analysis and visualization
 - Adaptive tests that adjust difficulty based on performance
- Focus on revising weak areas and advancing students by skill level.

HOBBIES

I'm a cricket fanatic, gym junkie, and wordsmith on a mission to level up my game in sports, fitness, and the art of writing!
